**Letter of Recommendation**

Herewith we inform you that S.C. FARLIL COM S.R.L. has provided different services for our company starting from December 2009 till the present moment, i.e. general cleaning, washing, etc.

S.C. FARLIL COM S.R.L. provided excellent services and showed professionalism in all their activities. The company had in their responsibility more than 5 000 square meters (offices, accommodation rooms and other facilities) where more than 300 persons worked. The camp, the canteen and all the office were used by personnel who worked in normal construction site conditions.

Taking into consideration all the above mentioned facts, we will recommend to you this company as a reliable business partner.

Yours sincerely,

  
Ing. G rner F rwirth  
Project Manager
