

TO WHOM IT MAY CONCERN

Nr 001.31/10/2010

Subject: Reference Work Performed by FARLIL CLEANING

OMV Petrom S.A.
Explorare și Producție

Stimată Doamnă / Domn,

During the period May upto and including October FARLIL CLEANING has kept the facilities of the Turbo Gas Compressor Station Bulbuceni, located in Capreni in an excellently clean condition.

ZONA DE PRODUCȚIE II OLTENIA

Brestei, Nr. 3
Cod poștal 200581
Craiova, Dolj, România

Any work requested from FARLIL has been executed above and beyond requirements, very much to the satisfaction of OMV-Petrom and its representatives on location.

Tel. +40 (372) 855557
Fax +40 (21) 2647574

FARLIL CLEANING has demonstrated to be capable of keeping a location of this size, inside the buildings as well as outside locations and containerized equipment packages in a perfectly clean condition.

OMV PETROM S.A.
Calea Dorobanților 239
sector 1, cod poștal 010567
București, România

Therefore, FARLIL CLEANING, represented by its Manager, Mrs. Vaduva, Liliana is highly recommended by me.

Atribut fiscal R,
